A collage of nine photographs capturing various moments from school life. The photos are arranged in a non-linear fashion, overlapping each other. The images include: a priest in a white robe and red stole interacting with a student; a group of students in formal attire, including a boy in a tuxedo and a girl in a white dress; a group of students posing in costumes, including M&M's characters; two students on a snowy roof, one in a blue shirt and the other in a black shirt; a student playing soccer on a red field; two students in costumes, one in a black top and the other in a white top; and a group of students in a classroom setting, with one student in a grey suit and glasses. The background of the collage features vertical stripes in shades of blue and white.
