Again this year, SHAgala welcomes you online!!

Pivoting to a virtual event was difficult, but it was the best decision for our school community. We appreciate the encouragement of our sponsors, and the parents, alumni, and friends who have offered their full support. Without the commitment and flexibility of our dedicated planning committee, we could not be successful. We are truly blessed with the time and talent of volunteers who come through for us again and again.

We are also blessed by the financial support of many. We pray this gracious support will help us achieve another virtual victory for Sacred Heart Academy's number one annual fundraiser.

Enjoy the event! Bid high!

Thank you!
for embracing another
virtual SHAgala.

If you have technical difficulty at any time,
please text (989) 289-0924 or email shagala@sha.net.

The **Silent Auction** opens online Friday, February 4, and will close at 9 p.m. Saturday, February 12.

Games of Chance are available to all bidders. Opportunities for each of the games are limited. Your last chance(s) to purchase will be announced during the live program, and the winners will be drawn.

Cash Raffle drawing happens at 8:00 p.m. on February 12. Father Loren will draw the winners and they will be announced during the live program. A list of winners will be available online as well.

Please give to the collection **For the Teachers**. This year, more than ever, we need to show our appreciation to Academy teachers. The Jim & Lee Fabiano Family has offered a \$50,000 challenge. If SHAgala donors can reach \$50,000 on the For the Teachers online thermometer, the Fabianos will donate \$50,000 to the Fund for the Teachers in the SHA Foundation. Every donation counts!

Live Auction/Premium Items will be open for bidding Wednesday, February 9 at 12:00 Noon until Friday, February 11 at 12:00 Noon to get the bidding started. February 2022

Dear Friends:

Stuff happens. Apparently, it's going to keep happening. We were disappointed to cancel the on-site SHAgala activities this year, even though it was the right thing to do. Past participants of the event know our fun night is something we all crave. Since Covid has taken it from us, we want it even more. New parents, just wait! When we can host SHAgala at the school again, you won't believe it. We will knock your socks off.

In the meantime, Sacred Heart Academy needs us. Our amazing teachers, our precious students, and every member of the staff who helps make our Catholic school the incredible place it is—they need us. The 2022 SHAgala auction is online and needs your support.

Please bid on auction items. Play games of chance. Give to the Teachers collection and help us achieve the matching money. Anything and everything you can do is appreciated. Gather with some friends or stay home in your comfy clothes on Saturday, February 12. Watch the livestream and enjoy the school videos and all the exciting announcements.

Our planning committee has worked extra hard this year for a couple of reasons. First, we believe in our school and its teachers. We need to do all we can to make SHAgala successful in its virtual format. Second, this year is our first SHAgala without our amazing Marcy, the event coordinator (and SHA 1990 Alum) who poured her heart and soul into the school auction each year. In her memory, and with her passion for Sacred Heart Academy and its donors, we have pledged to make this year one of our very best!

Thank you in advance for your wholehearted support. Bid high, bid often, and let's show the teachers how much we care.

With appreciation,

February 2022

To All Our Patrons Who Support Sacred Heart Academy:

Welcome to our 28th SHAgala fundraising event. Our committee had to do something new and creative last year and it was very exciting and successful. Our SHAgala event went online. Instead of 400 people bidding in our gyms, we had close to 1,000 people bidding online from all over the country. We raised \$354,000 from the event. What an historic experience!

This year's theme is "Back to the Heart of it All". When I reflect upon the theme, two different dimensions come to mind. One is the opening school year of Sacred Heart Academy in 1889. What did our ancestors envision as they began the first year with 150 students enrolled? Did they realize that some day religious sisters would no longer be teaching at the Academy? That we would have to rely on dedicated and educated laymen and women to shoulder the responsibility of the future Catholic education of the students? Did they ever contemplate the possibility of 500 students enrolled at the Academy? Did they ever perceive the Academy would still be in existence 133 years later and still be going strong?

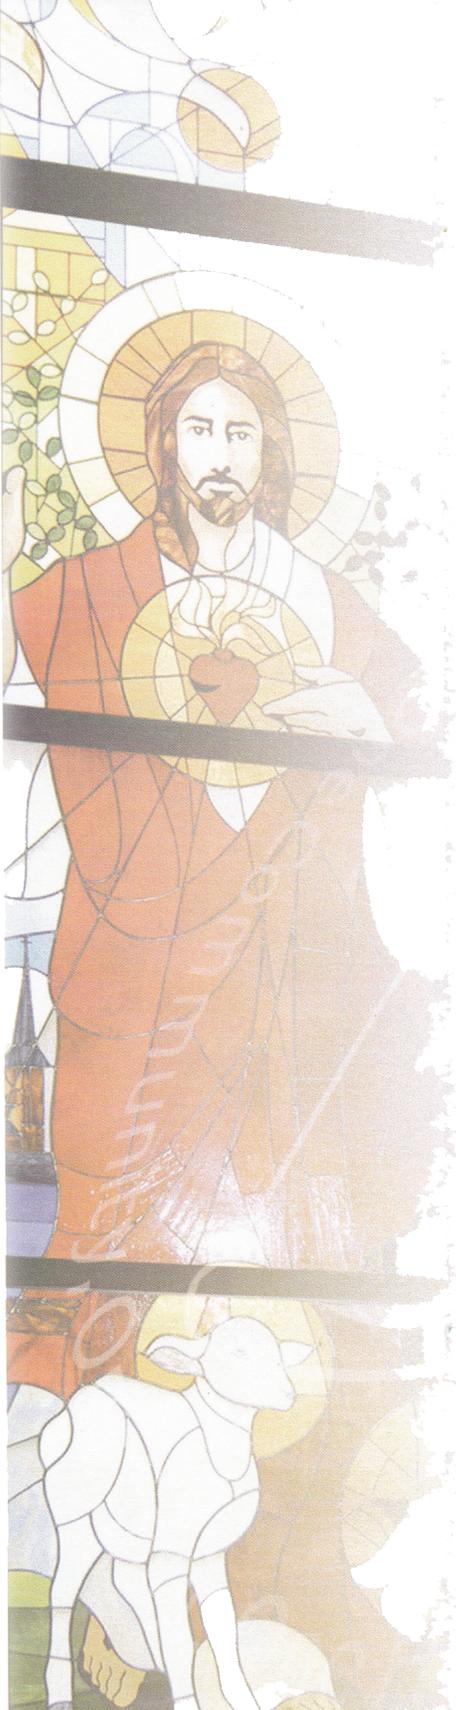

The second dimension which comes to mind when I consider our 2022 theme is that this is our 28th annual SHAgala event. Catholic education demands commitment, dedication, sacrifice, courage, true grit, perseverance, and discipline. These qualities and virtues are evident in the structure and environment of Sacred Heart Academy. From the first years when \$25,000 was raised to last year when \$354,000 was raised, Catholic school education has been supported by many volunteers: school families, patrons, community members, and dedicated alumni and teachers who want to make a Catholic difference in the Mt. Pleasant community. Thank you, one and all, because from our ancestors to the present generation, God has blessed us with kind-hearted, generous, and selfless people who have walked in the footsteps of giants who have paved the way for us today.

Enjoy the evening with family, friends, and all who help our students receive a good Catholic education and go forth from these hallowed halls making a difference in our society and world.

God bless all of us, and thank you!

SHAgala heroes all around

Please join our SHAgala Committee as we give thanks to:

Participants

From around town, across the state and nation and even around the world! We appreciate the involvement and support of our parents, alumni, parishioners and friends who join us for this virtual event. The positive impact you have on Sacred Heart Academy and our teachers is appreciated more than you may ever know. Thank you for embracing **SHAgala!**

Donors

This event is made possible by the support of our greater community. We are incredibly blessed by the generosity of many. From the bottom of our hearts: **Thank you!**

Our emcee

What would **SHAgala** be without our energetic and enjoyable emcee? **Bryan Wieferrich** kindly volunteers his time each year, and happily jumped on board for virtual option and the livestream show. We are lucky to have him on the **SHAgala** team.

The best volunteers ever

SHAgala happens because of helping hands which come from all directions: SHA parents, former parents, alumni, parishioners, and friends of the Academy who bring the event to life each year. Thank you to each and every one who helped us transition SHAgala to a virtual event when we hoped to be able to gather together this year. We are fortunate to have the virtual format software and will continue to use it, making it easy for alumni and friends to join in the fun of our event from anywhere.

Our auction professionals

Larry Sheridan, from **Sheridan Auction Service**, is happy to join us again this year and appeal to our bidders during the livestream. He and his teammates have been part of our SHAgala success for more than 20 years.

Mr. Everything

SHAgala literally would not —could not!—go on without the expertise of Jim Burkhart. His knowledge of the event and everything related to virtual production is invaluable to Sacred Heart Academy.

The video crew

Glen Petersen and his associates from Petersen Productions create amazing school videos which make our event memorable each year. These images remind us what **SHAgala** is all about.

School team

Mrs. Yonker, Ms. George, Mrs. Dubridge, Mrs. Roach, Mr. Haggart, and Mr. Theisen wholeheartedly support SHAgala and work tirelessly to ensure volunteers and schedules are accommodated, even in years like this one, when a number of wrenches were thrown into the plans.

Technical support

Throughout what we affectionately call “**SHAgala** madness” in the parish office, **Vicki Duffett, Margaret Wood, Cindy Kaliszewski, and Mark Szymczak** were always available to lend a hand. . . Our auction chairperson **Wendy McConnell (SHA '93) Endres**, and co-chair **Meghan White** worked tirelessly for months. . . **Mary Kay Reetz, Carolyn Strauss (SHA '79) Cardon** and **Kay Hauck** invested time figuring out the auction software and actually played the role of customer support. . . and **The One Cause Team** who helped with BidPal questions. . . These are the unsung heroes of **SHAgala**.

Since 1903, we've called the heart of Michigan our home. Whether we are volunteering at local schools, sponsoring youth events, teaching the importance of financial literacy, participating in local activities or sharing our leadership in the community; we do everything we can to make a positive difference because this is our home too.

The Foundation was created in 1976 and our purpose has not changed: *We support the Catholic school mission of Sacred Heart Academy and especially its teachers.*

Donations are added to the principal of the endowment. Only the earnings are spent, so gifts live in perpetuity to grow the Foundation, allowing us to help the Academy recruit and retain the best teachers and pay them competitive wages.

We are the Sacred Heart Academy Irish. We are committed to the Catholic education of students in grades Kinder-Prep to 12. Thank you to all who support the teachers and students of the Academy through your involvement with SHAgala. We are grateful to the donors and volunteers who bring the event to life each year.
