

The Catholic School Difference

Your child(ren)'s education is the best investment you will ever make in their well-being and potential for success. The strong tradition of faith formation, values education, and academic excellence found at SHA will inspire them for life. There is a Catholic School difference which proves graduates of Catholic schools:

- Have a 98 percent college attendance rate;
- Earn more money in their careers;
- Are more likely to vote;
- Tend to be more active in their communities; and
- Take leadership roles in their communities

How is the SHA Gift/Savings made possible?

Every student and family benefits from reduced tuition because of direct financial support from Sacred Heart Parish, the SHAgala dinner/auction and the annual gift from the SHA Foundation. The 2020 SHAgala proceeds bring \$600 of benefit to each student, and the SHA Foundation contribution offers just over \$850 per student in benefit. The remainder is Sacred Heart Parish support.

Top 10 Reasons

Sacred Heart Academy is the best choice for education

Ideal class sizes mean the teachers at SHA get to know students lovingly. This means we know a child's strengths and current struggles and create a learning environment to help students thrive. Parents, students and teachers are true partners in education.

Service learning experiences connect students to the larger world and help them discover their potential as leaders.

One campus setting for Kinder-Prep through 12th grade, which promotes safety and family atmosphere.

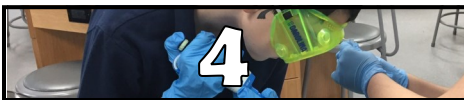

Award-winning organizations for high school participation, including Drama, Science Olympiad, Close Up, Quiz Bowl, Model United Nations, Forensics Team, Language Arts Club, Pre-Med Club, Robotics, and *more!*

Wide range of athletic programs for boys and girls, with state championship results!

Benefits for learning such as Chromebook computers and iPad technology; foreign language study; a culturally-diverse population; and fully-equipped STEM Lab offering hands-on learning for all grade levels.

Advanced Placement classes, College dual-enrollment and technical education programs all available during SHA school day.

The integration of career counseling, academic advising and options such as an Academic Resource Center for study help and ACT/SAT prep courses.

Highly qualified, experienced and dedicated teachers, who believe in developing lifelong learners.

And, the

#1

reason SHA is the best choice:

We are a Catholic school with 130 years of tradition where all faiths are welcome, and values and morals are taught and practiced every day.
